EMERGO WEALTH | BROKERAGE

Trade on over 100 market centres in 24 countries with direct market access to stocks, options, futures, forex, bonds, ETFs and CFDs all from a single account.

Access market data 24 hours a day and six days a week to stay connected to all global markets.

Find out how simple it is to trade with our platform, download your demo now:

PC | Android | Mac | iPhone

WEB & WORKSTATION

With the demo account, you can trade in a simulated environment using the full range of trading facilities under real market conditions.

Trade with our Web Trader or download full version of the desktop Workstation here.

To buy or sell a security, locate the order entry panel then simply enter the ticker, order type and select BUY or SELL.

MOBILE & TABLET

We provide mobile solutions that allow you to trade from your account on the go. Find the right app for your device here.

To place an order, locate 'Order Ticket' from the main menu then enter the ticker and complete your order by tapping either BUY or SELL.

Monitor your orders or your portfolio, using the respective menu command.

SUPPORT
