

Emergo Wealth presents

The  
**INVESTMENT**  
Expert Conference 2015

## *Investing in a Global Marketplace*

Following the great success of last year's The Investment Expert conference, Emergo Wealth presents the 2nd Investment Expert 2015 to be held at the Hilton Park Hotel in Nicosia, on Friday 18th September. The conference aims to provide investors with accurate information on the prospects of international markets and investment products – with emphasis on the pension fund field – presenting solutions, best practices and investment proposals through practical examples and experts' analyses.

The conference will host renowned professionals and experts, who will present interesting subjects relating to the ongoing developments on the field. The agenda of the conference includes presentations on the perspectives of the global economy, international shares and debt securities markets as well as alternative investments available.

The participants shall also have the opportunity to be informed of the best practices regarding the governance and administration of pension and provident funds, the European legislation requirements and the opportunities that lie ahead in Cyprus, specifically with regard to the cross-border operation of pension funds.

The conference shall bring together management committees, management personnel and advisors of pension and provident funds, accountants, lawyers, legal and financial advisors, internal and external auditors, general managers and financial directors, HR managers, fund managers, investment departments of financial institutions and competent governmental authorities.
