

3 December 2015
For Immediate Release

Emergo Wealth announced today that Christos Spanos has joined the Company as Director of Asset Management. Christos Spanos has a diverse wealth of experience gained over 17 years in the financial services sector. Until recently, he was a portfolio manager at Byron Capital Partners where he managed institutional multi-asset class portfolios and systematic strategies. Prior to this he was a founder and Executive Director of 7Q Financial Services. Previous experience includes founding and managing XS Capital Securities and Financial Services, heading the Asset Management department at Egnatia Financial Services (Cyprus), and serving as a Financial Analyst and Portfolio Manager at Severis and Athienitis Financial Services. He has managed a number of property funds, listed equity investment companies, pension schemes and provident funds. He has also acted as investment advisor to large overseas family offices as well as insurance companies and retirement plans. He is a CFA Charter Holder and holds an MBA, an MSc in Medical Radiation Physics and a BSc (Hon) in Physics. He is a holder of the Advanced Certificate issued by the Cyprus Securities and Exchange Commission.

In making the announcement, Mike Balm, CEO of Emergo Wealth, stated: "We are delighted to welcome Christos Spanos to the Emergo Wealth family. Christos brings broad and in-depth knowledge in wealth and asset management for both institutional investors like provident and pension funds and private clients. This will further strengthen our capacity to add value to our clients through innovative, diversified investment solutions and professional advice. The world class credentials and experience of our personnel are the solid foundation that guarantees the quality and value of our professional services."
