

# The Emergo Internship Programme

**The Emergo Internship Programme (EIP)** in investment services is a corporate internship programme aimed at providing training for young financial service professionals with a view to be recruited on a full-time basis in the financial services industry. EIP offers on-the-job training in a broad range of specialties, including corporate finance advisory, investment management, fund administration and accounting, provident fund operation, brokerage and financial research and analysis.

Depending on the time and level of commitment, during their term with Emergo, residents may (inter alia) achieve certification status with the Cyprus Securities and Exchange Commission and complete some or all of the levels of the Chartered Financial Analyst (CFA®) qualification.

## Eligibility

Qualified applicants do not need to have experience in the sector but must possess a keen desire to learn and the willingness to go the extra mile in achieving their goals. We are recruiting both graduates and ACCA/CFA trainees for a minimum internship term of 6 months. A high level of fluency in Greek and English with excellent written and verbal communication skills is required. A resident will work temporarily on entry-level operational tasks as well as fund administration and accounting engagements, while receiving training in the financial services sector.

## Terms

Successful candidates will receive remuneration commensurate with their credentials and level of experience and they will have the opportunity to compete for a permanent appointment with the Emergo Group.

## How to Apply

Applications will be accepted from 1 September – 31 January and 1 March – 31 May. Interested candidates visit the [Emergo Wealth career portal](#). Suitable applicants will be invited to attend an interview. The candidate assessment and selection process is usually completed in a maximum of 4 weeks.
